

**FOR WORLD OCEANS DAY
JUNE 8TH 2026**

CORALPALOOZA™ IS THE WORLD'S LARGEST CELEBRATION OF CORAL REEFS!

In honor of World Oceans Day and World Reef Awareness Day, Coral Restoration Foundation™ hosts Coralpalooza every year. It's our way of celebrating local communities and the critical coral reef ecosystems that supports them! Coralpalooza brings together an international collection of ocean lovers to help restore coral reefs in Florida and around the world.

The event includes multiple days of in-water restoration dives, with an abundance of opportunities to connect and engage in support of coral reef conservation.

This globally recognized UN Ocean Decade event calls on all divers, snorkelers, land-based ocean lovers and sponsors to come together for our reefs! Find out how you can support this amazing global event below!
